What's Happening

- We are looking forward to starting a new discipleship program. This will be for those individuals, that work full or part time for the ministry in the Valley of Peace. This will be taught in Spanish, so please pray for Junior to have the ability to teach in another language.
- This month we added 10 new kids that will be eating lunch every school day at the Valley of Peace feeding center! Please pray that the children and their families will respond to the gospel message and get saved!!
- Below is a picture of our childrens Sunday School Class at Bullet Tree Baptist Church. We are thankful that the Lord entrusted us with this privilege to teach these children the Word of God. They are completing their work during class.

More of What's Happening

Please pray that this youngman will be the future leader of Bullet Tree Baptist Church! On Sunday, February 18th, Elgar Cruz preached his first message in Spanish and the title was "The Plans of God are always Perfect." Elgar speaks 3 languages and we are excited about the opportunity of investing time and resources into his life. Thank you for praying and giving to make all of this possible.

Brandi learning how to make tamales, with Mrs. Celina on an open fire. Mrs. Celina is our main cook at the feeding center in the Valley of Peace. This could be very beneficial to Junior, he loves fresh tamales!
