1 Thessalonians 5:24
Faithful is He that calleth you!

This month, Bullet Tree Baptist was blessed by an awesome missions team from Spring Creek Baptist. Thank you Pastor Watford and church. This team worked diligently beside our members to bring honor and glory to God. They primed and painted the church, two Sunday school buildings and a small outside bathroom. They repaired lights and helped us with the necessary finances to be able to replace the hot concrete windows.

Praise the Lord, our first month in Belize has been super busy! We have been able to practice our Spanish everyday, as well as be active in two villages. Our hearts have been encouraged by God's faithfulness! We have seen God work in the hearts of our church members at Bullet Tree. The attendance has been growing slowly, but this is expected.

All for Him,

Junior & Brandi

Future Hope

The picture below is the future of Valley Baptist and Bullet Tree Baptist. This young man's name is Elgar. He was saved two years ago in the youth group. He came to me after one of the services on Sunday and told me that God has called him into the ministry and he is ready to begin the process. We have started a continue discipleship program and Elgar is very excited to begin. I asked him what he hopes to gain from this 14 week study. He said, "I want the confidence and ability to share Christ with my people."
